

ANKIT CHANDRAKAR

Lead Product Designer

ankitchandrakar.in chandrakarankit014@gmail.com +91 6260906952 LinkedIn / ankit-chandrakar-001akki

Lead Product Designer with 2+ years of experience designing enterprise SaaS platforms, AI-powered products, privacy technology, and scalable design systems. Experienced in product strategy, UX research, cross-functional leadership, AI-assisted workflows, and end-to-end product delivery from discovery to implementation. Combines user needs, business goals, and engineering collaboration to build scalable digital products.

WORK EXPERIENCE

Nyusta

Bengaluru

Lead Product Designer · Nov 2024 — Present

- Designed 30+ enterprise workflows and 200+ reusable design-system components.
- Designed Privacy Portal, DSAR Management, Cookie Consent, Preference Center, Data Mapping, Privacy Assessments, and Administration.
- Owned research, information architecture, prototypes, developer handoff, and implementation reviews.

Patcorn Drymix Pvt. Ltd.

Gurgaon

Design Consultant · Sep 2025 — Present

- Designed and launched five internal business products: Chiraag, Tejas Captain, ContractorBhai, MistriBhai, and Adhikar.
- Led UX strategy with business leadership, defining product vision, user journeys, workflows, and feature roadmaps.
- Established a unified design system and supported the Tejas ecosystem through branding, websites, presentations, and product identities.

Kamdhenu Group

Raipur

Junior Product Designer · May 2024 — Nov 2024

- Designed user-centric interfaces for dealer management, contractor loyalty, product marketing, and sales enablement.
- Collaborated with product, engineering, sales, and marketing to deliver digital experiences aligned with business objectives.
- Contributed to product branding, campaigns, websites, presentations, and scalable design assets across the digital ecosystem.
